August
2020

Unsurpassed *Elegance* • Extraordinary *Cuisine* • Unmatched *Atmosphere*

We are pleased to announce that the size of our club will allow us to maintain a high level of service and accommodation to our members that other establishments cannot.

As a club we have a limited audience and we will continue to strive to provide our membership a safe, clean and pleasurable experience. We are blessed with large outdoor patio space which converts to very large enclosed space in the winter. In addition, we have the dining room, the lounge, the Grille, the ballroom, the back room, and the game room.

This will allow us to continue to accommodate all members for dining with very little change. We do ask that you call for reservations. If you have special needs like a private dining room, we feel we should be able to accommodate you. While parties over 25 have been curtailed indoors, we don't believe our ability to serve our membership will be diminished. We will do our best to provide a great experience for all our members!

Club Hours

August 2020

Club News at the Blairmont Club

Chef's Corner

Every Sunday in August at the Pool we will be doing a Build Your Own Bloody Mary Feature. Our servers will hand out a self check menu for you to select the ingredients you would like in your Bloody Mary. They will gather them when you have completed your selection and take it to our pool manager Tim and he will create your favorite Bloody Mary. So, I thought some shrimp tacos would be a great item to enjoy poolside with a nice Bloody Mary or two! We will be serving two flour tortilla tacos with southwest seasoned black tiger shrimp, pico de gallo, queso fresco and creamy cilantro lime slaw accompanied by tortilla chips.

Please Welcome the following members to the Blairmont Club!

Harold and Julie Findley
David Ciccarella
Michala and Michael Sapienza
Helen Gorsuch

During these difficult times, change is the word in our vocabulary that is constant. We want to thank everyone for their patience as we adapt to Governor orders guided by the CDC, on a daily basis. We, the staff, will continue to do all we can to keep you, your family and friends as safe as possible. In order to assist us, here are just a few reminders that can assist all of us.

- The staff will wear masks at all times.
- Upon entrance to the Club, you must have a mask. If you do not have one, we will provide you one. You must wear a mask to your seat. Once seated, you may remove your mask. If you should need to use the restroom or step outside, you must wear a mask when you leave your table. Once you return to your table, you may remove your mask.
- Table sizes are maxed at 10 individuals to a table inside the building. Outside the building, table sizes are maxed at 12.
- With 25 % occupancy seating inside, our seating is EXTREMELY limited. If you desire indoor seating, advance notice is EXTREMELY important as it will be based on a first come first served basis.
- RESERVATIONS are extremely important. We will always try to accommodate our members and guests whenever possible. Without a reservation, special request or expectations may not always be possible.
- Drink orders can only be served to your table.
- Take out service is always a great option for those on the go. Place your order prior to 5 PM and receive 10% off.

Finally, many of our planned events have been postponed or deferred to a future date. There are many things we have done in the past, but due to social distancing guidelines and the ongoing changes, we are going to accommodate our members each and every day without much interruption. Once we return to normal, you will see fun and exciting events return to your club. Until then, we are here to serve you and your family and friends with the best food and service found anywhere. Together, we will make it through as one.
